

big thinkers

(think tanks, knowledge
brokers, networks &
opinion shapers)

The 2009 edition of Affairs of State's latest publication *Big Thinkers (think tanks, knowledge brokers, networks & opinion shapers)* has just been released.

Big Thinkers is the only comprehensive and accurate guide to think tanks, thinking/ideas organisations and opinion shapers in Australia.

It assembles a list of more than 300 think tanks, think/ideas organisations and opinion shapers from a cross section of disciplines to help you understand the new financial and policy environment.

With easy-to-read summaries, the briefing on each organisation and opinion shaper is a vital tool to every business in search of thinking space.

"This is the essential guide to the people and institutions that make public policy in Australia."

John Roskam (Exec. Dir, Inst. of Public Affairs)

"An invaluable relevant reference."

Bob Fels (fmr Assoc, Aust. Centre Internat. Bus.)

Big Thinkers has a standardised format and is indexed for quick and easy reference.

Big Thinkers provides up-to-date information including:

- Academic think tanks
- Government think tanks
- Contract research think tanks
- Policy advocacy think tanks
- No-for-profit policy centres
- University public policy & research centres
- Opinion editors, columnists and writers
